Dan,

Just following up on this case.

On Tuesday, Dec. 18, I sent hard copies of the attached Substitute Declaration via Certified Mail to the last address that we have for you, and it was returned with an indication that addressee was no longer at that location.

If you e-mail me back with your current address, I'll gladly send you a new copy of the declaration in the mail along with a self-addressed stamped envelope. Otherwise, you can print out your page, sign it, and fax it back to me at 612-339-3061 or scan it and e-mail it back to me. Insofar as your street address has changed, you can cross out the old information on the attached declaration, hand-write in the new information, and initial and date your corrections. Please see attached, and below for further information. Please call or e-mail me or attorney David Tran (<A onclick="Popup.composeWindow('pcompose.php?sendto=dtran%40slwip.com'); return false;"
href="http://email.secureserver.net/pcompose.php?aEmlPart=0&type=reply&fo lder=INBOX&uid=5591#Compose">dtran<B></B>@slwip.com</A>, 408-278-4059) and let us know if you have any comments, questions, or concerns.

PLEASE ACKNOWLEDGE RECEIPT OF E-MAIL AND

ATTACHMENT

Ed and Dan,

Just following up on this case.

On Tuesday, Dec. 18, I sent hard copies of the attached Substitute Declaration via Certified Mail to the last address that we have for each of you.

We are quickly approaching our official, final deadline of January 12, 2008, to submit each of your newly-signed pages. I have received David Arfin's signed page so far. Have you had a chance to print out your page, sign it, and fax it back to me at 612-339-3061 or scan it and e-mail it back to me? I have not yet heard from Ed Sesek (<A onclick="Popup.composeWindow('pcompose.php?sendto=ed%40sesek.com'); return false;" href="http://email.secureserver.net/pcompose.php?aEmlPart=0&type=reply&folder=INBOX&uid=5591#Compose">ed<B></B>@sesek.com</A>), and though my e-mails are not bouncing back, I'm not sure if they are going to the correct recipient. Please confirm. Please see attached, and below for further information; and let me know if you have any comments or questions.

All the best,

PLEASE CONFIRM RECEIPT OF E-MAIL AND
ATTACHMENTS

Dan,

Thank you very much for your
assistance.

Attached is a PDF containing the Substitute Declaration; and, for
your reference only, the final draft of the application and the drawings.

You
and your co-inventors all signed a declaration for this patent application a few years back.
You, David Arfin, and Edward Sesek made corrections to the sheets by-hand without
initialling and dating the changes, and the USTPO has rejected your signatures because of
this informality.

Please review your personal information on the delaration. If

you find any errors in your personal information, please cross-out the incorrect parts and hand-write in the correct information and initial and date your changes.

Please print out the formal documents and sign them in BLUE INK. You can sign your own sheet of paper and return it to us independent of the other inventors. We only need the one signed sheet, and you can fax that page with a cover sheet to me at 612-339-3061, or scan and e-mail them to me at <A onclick="Popup.composeWindow('pcompose.php?sendto=jferguson%40slwip.com'); return false;" href="http://email.secureserver.net/pcompose.php?aEmlPart=0&type=reply&fo lder=INBOX&uid=5591#Compose">jferguson<B></B>@slwip.com</A>. Please return the original, signed declaration to us via USPS, Fed Ex, etc., to be placed in our file for safe-keeping.

Please let me know if you have any questions or problems with the transmission of these documents. If you have any substantive technical or legal questions, please contact Garth Vivier: 408-278-4041, <A onclick="Popup.composeWindow('pcompose.php?sendto=gvivier%40slwip.com'); return false;" href="http://email.secureserver.net/pcompose.php?aEmlPart=0&type=reply&fo lder=INBOX&uid=5591#Compose">gvivier<B></B>@slwip.com</A>.
